

IES RIBERA DE CASTILLA

Web Interfaces Design

Iconography

Title: Select your iconography

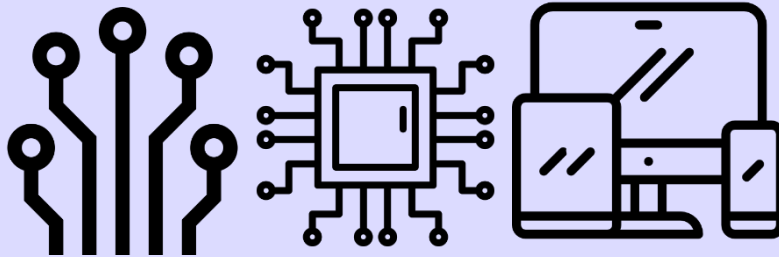

Presented by:
Unai Benito Sánchez

Index

1.Types of icons:.....	3
------------------------	---

1.Types of icons:

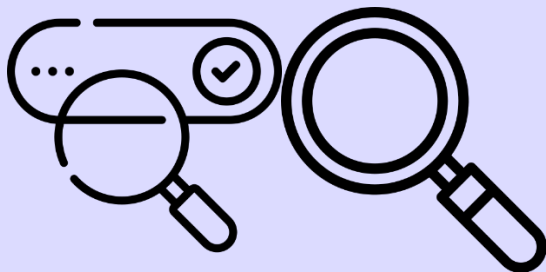

Icons with an "electronic vibe":

Icons related to sales:

Search icons:

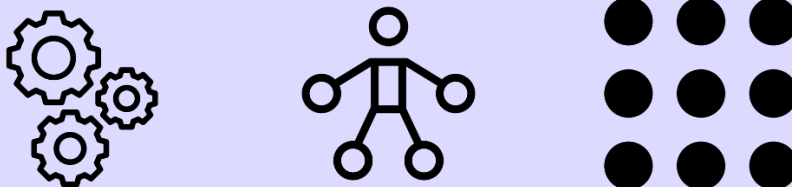

Some icons of electronic accessories:

Error, confirmation and support:

Accesibility:

The reason why I have selected those types of icons is because the website I'm going to make is an electronic components store, so I want them to be of that style, electronic and store. Also for the customer accessing the site to have a good experience, having everything well defined and everything in its place.
